ABOUT US

Established on 11th October 2000, Elcon Equippments Private Limited has grown to become a trusted name in the field of electrical equipment distribution.

Under the guidance of Sridhar Ramamurthy, ably supported by Sudha Sridhar and Anirudh Sridhar, the company is a Authorised distributor for some of the most reputed and trusted brands in the industry such as Schneider Electric India Pvt Ltd, Salzer Electronics Limited, HPL Electric & power Ltd and Telemechanique sensors range of products.

Our extensive product range and commitment to excellence make us a preferred partner for businesses across various sectors.

At Elcon Equippments, we believe in delivering value through innovative products, superior customer service, and ethical business practices.

Our journey is driven by a passion for quality, reliability, and continuous improvement, ensuring that we meet and exceed our clients' expectations.

MISSION & VISION

Our mission is to provide reliable and high-quality electrical equipment solutions that meet the evolving needs of our customers. We strive to build lasting relationships through exceptional service, integrity, and a commitment to excellence in everything we do. By partnering with industry-leading brands, we aim to deliver products that ensure efficiency, safety, and long-term value for our clients.

Our vision is to be a leading and trusted name in the electrical equipment distribution industry. We aim to continuously expand our product offerings, enhance our customer relationships, and lead the market through innovation and excellence. We aspire to contribute to a sustainable and efficient future by providing world-class electrical solutions that empower businesses and communities.
